

# IGQ GOLF COLLEGE

## IGQ Featured Courses

### ◆ NZPGA Member Education Courses

#### Target trainees:

Those who are interested in pursuing a career as PGA professional golf coaches.

#### Learning objective:

to study and pass the on-line modules certified by PGANZ and pass the practical playing ability test of PGANZ, reach the PGA playing level of professional coaches under the guidance of PGA professional coaches, and keep the handicap of playing ability below 4. The students will obtain coaching certificate at various levels issued by the New Zealand Professional Golf Association, which is internationally recognized.

#### Th Content of PGANZ Certified Course:

The PGANZ Coaching certified programs are systematic and mature online and off-line programs , the trainees should get registered as the member and under the guidance of the PGA coach as a PGA trainee , pass modules of each level on line , playing on the course on the regular basis to keep the required handicap .The course covers a wide range of areas, such as golf swing mechanics (short game , long game and putting game ),**golf club operations and management , club fitting and sales , physical and mental training and exercises , etc.**

## ◆ Junior Golf Talent Program

### **Future Students:**

The primary or secondary school students aged 7 to 18, who have the intention to develop their golf skills and help them gain points for entering prestigious schools or universities in the future.

### **The Program Introduction:**

The Junior Golf Talent Program is jointly run by IGQ Golf College , Burnside High School, and Middleton Grange in Christchurch , New Zealand . It is to meet the needs of students who have an interest in golf and want to cultivate their golf skills, while not affecting their normal academic studies, while developing golf techniques well. Cultivate hobbies and talents while adding extra points for their future study, and at the same time working towards the goal of becoming the professional golf athletes.

### **The content of the program:**

The future students attend the class of of Burnside High school or Middleton Grange School from Monday to Friday Primary and secondary schools have normal classes from Monday to Friday, They will study with IGQ PGA professionals after school each day from Monday to Friday, and weekends time as well . (IGQ staff is responsible for pick-up and drop-off of the students.)

### **Learning outcome:**

The students can simultaneously obtain a high school graduation certificates, which give them the qualifications to continue studying at various universities in New Zealand and other countries around the world; Simultaneously they can obtaining the New Zealand National Diploma in Leisure Sports (Golf Direction) (NZQA LEVEL5)if they completed the required courses regulated by the programs , they also get the chance to become a professional athlete /coach if they work on the PGA pathway , which is a win-win course.
